4. Regan Ogle – September Player of the Month

The winner of Trust in Yellow's player of the month was Regan Ogle. Ogle won the award having only joined the Club on loan from Accrington Stanley in late August. The right footed defender adapted well to National League North filling the left back position, which had been a problem prior to his arrival.

The Australian born defender also possesses a long throw; his use of the towel to dry the ball in rainy Manchester against FC United led to Devarn Green's late equaliser and the towel caused quite a stir with the natives!

Well done Regan and thank you to all who voted. You can vote for TIY player of the month for November at the end of the month by emailing us on fans@trustinyellow.com, on Facebook or by Tweeting us @trustinyellow. Alternatively pop into the Trust office to place your vote.

5. *Ryan Astles – October player of the month*

The Trust in Yellow player of the month for October was Ryan Astles. Ryan joined the club in the summer and has become a fan's favourite with his all action displays at the heart of the defence. Since making the move from Chester FC, he's also managed to score two goals and use his physical presence to pose a threat at the other end, particularly set pieces.

October was a challenging month in the league but Ryan was a consistent performer and his defensive performances earned the recognition of the Supporters. Astles made a big contribution in the two FA cup wins which has played a part in the Sandgrounders being in the 2nd round for only the 2nd time in 15 years.

Ethan Marshall was able to present Ryan with the player of the month for October during that wonderful win against Borehamwood which put us in the FA Cup 2nd round.

6. TIY Flag Initiatives

As part of the ground development work this summer, The Merseyrail Community Stadium has begun to look a brighter and more vibrant stadium

The TIY Board wanted to play their part and earlier in the season added two “legends” flags in the Jack Carr Stand. We are pleased to announce that two further additions form part of that project.

Martin Beattie, a long standing supporter, particularly treasured Jimmy Meadows’ 1972/73 Division Four Championship side and donated a flag to remember that historic season and the players that made up much of that fantastic team.

A fourth flag has been added to represent our travelling supporters, which will be taken on Away trips. The flag is in memory of Mike Billington, who passed away last December. Mike was a dedicated, loyal supporter who travelled everywhere with Southport and was a regular traveller on the TIY Coaches. Thank you to the Billington family for their contribution.
